

Small Business Impacts on Saturday, August 26, 2017

The Golden Gate National Recreation Area has approved a permit for the Patriot Prayer group for a rally at Crissy Field on Saturday, August 26 at 2 p.m.

The City has no jurisdiction over Crissy Field. Crissy Field is owned and operated by the Federal Government and the Golden Gate National Recreation Area (GGNRA) is responsible for permitting all events.

The Mayor's **number one priority** is the safety and well-being of the residents of San Francisco. As a merchant, you may be impacted by the Crissy Field rally.
